Ref: **FINANCIAL ALLOCATION FOR ONE LOCALLY-ADMINISTERED STIP PROJECT
OFF THE STATE HIGHWAY SYSTEM
RESOLUTION FP-05**

Attached is one locally-administered State Transportation Improvement Program (STIP) project off the State Highway System totaling \$560,000.

RECOMMENDATION:

The Department of Transportation (Department) has reviewed the project and concludes that it is consistent with the California Transportation Commission (Commission) approved allocation plan criteria. However, this particular allocation is related to an allocation under agenda item 2.5c.(3.1), Project #6 – Home Street Rehabilitation, which is not recommended for allocation due to funding constraints and the Commission’s approved criteria. Therefore, the Department recommends the Commission defer this allocation request until funding is available for the related project.
